Save the date for the 2027 Eurovent Summit

Brussels, 02 December 2025. Eurovent is pleased to announce that the 2027 EUROVENTSUMMIT will take place from 06 to 08 October 2027. This flagship event will once again gather leaders, innovators, and experts from across the HVACR sector.

The **EUROVENTSUMMIT** is the largest gathering of the HVACR sector in Europe, which brings together industry representatives, policymakers, engineers, manufacturers, and other key stakeholders to exchange insights on the future of sustainable technologies and standards.

Participants can look forward to a dynamic programme including expert sessions, working group meetings, panel discussions, and dedicated networking opportunities in one of Europe's most vibrant and innovative cities.

Further details, including location, registration information, venue specifics, and the full agenda, will be announced in due course. Save the date and stay tuned for more details. The Summit organisation Team remains at your disposal for inquiries via andrea.bosch@eurovent.eu

About Eurovent

Eurovent is the voice of the European HVACR industry, representing over 100 companies directly and more than 1.000 indirectly through our 16 national associations. The majority are small and medium-sized companies that manufacture indoor climate, process cooling, and cold chain technologies across more than 350 manufacturing sites in Europe. They generate a combined annual turnover of more than 30 billion EUR and employ over 150.000 Europeans in good quality tech jobs.

Mission

Eurovent's mission is to bring together HVACR technology providers to collaborate with policymakers and other stakeholders towards conditions that foster fair competition, innovation, and sustainable growth for the European HVACR industry.

Vision

Eurovent's vision is an innovative and competitive European HVACR industry that enables sustainable development in Europe and globally, which works for people, businesses, and the environment.
